outmate: the whole flow

Connect once. Add keys once. Then just ask.

outmate
11 Nov 2026

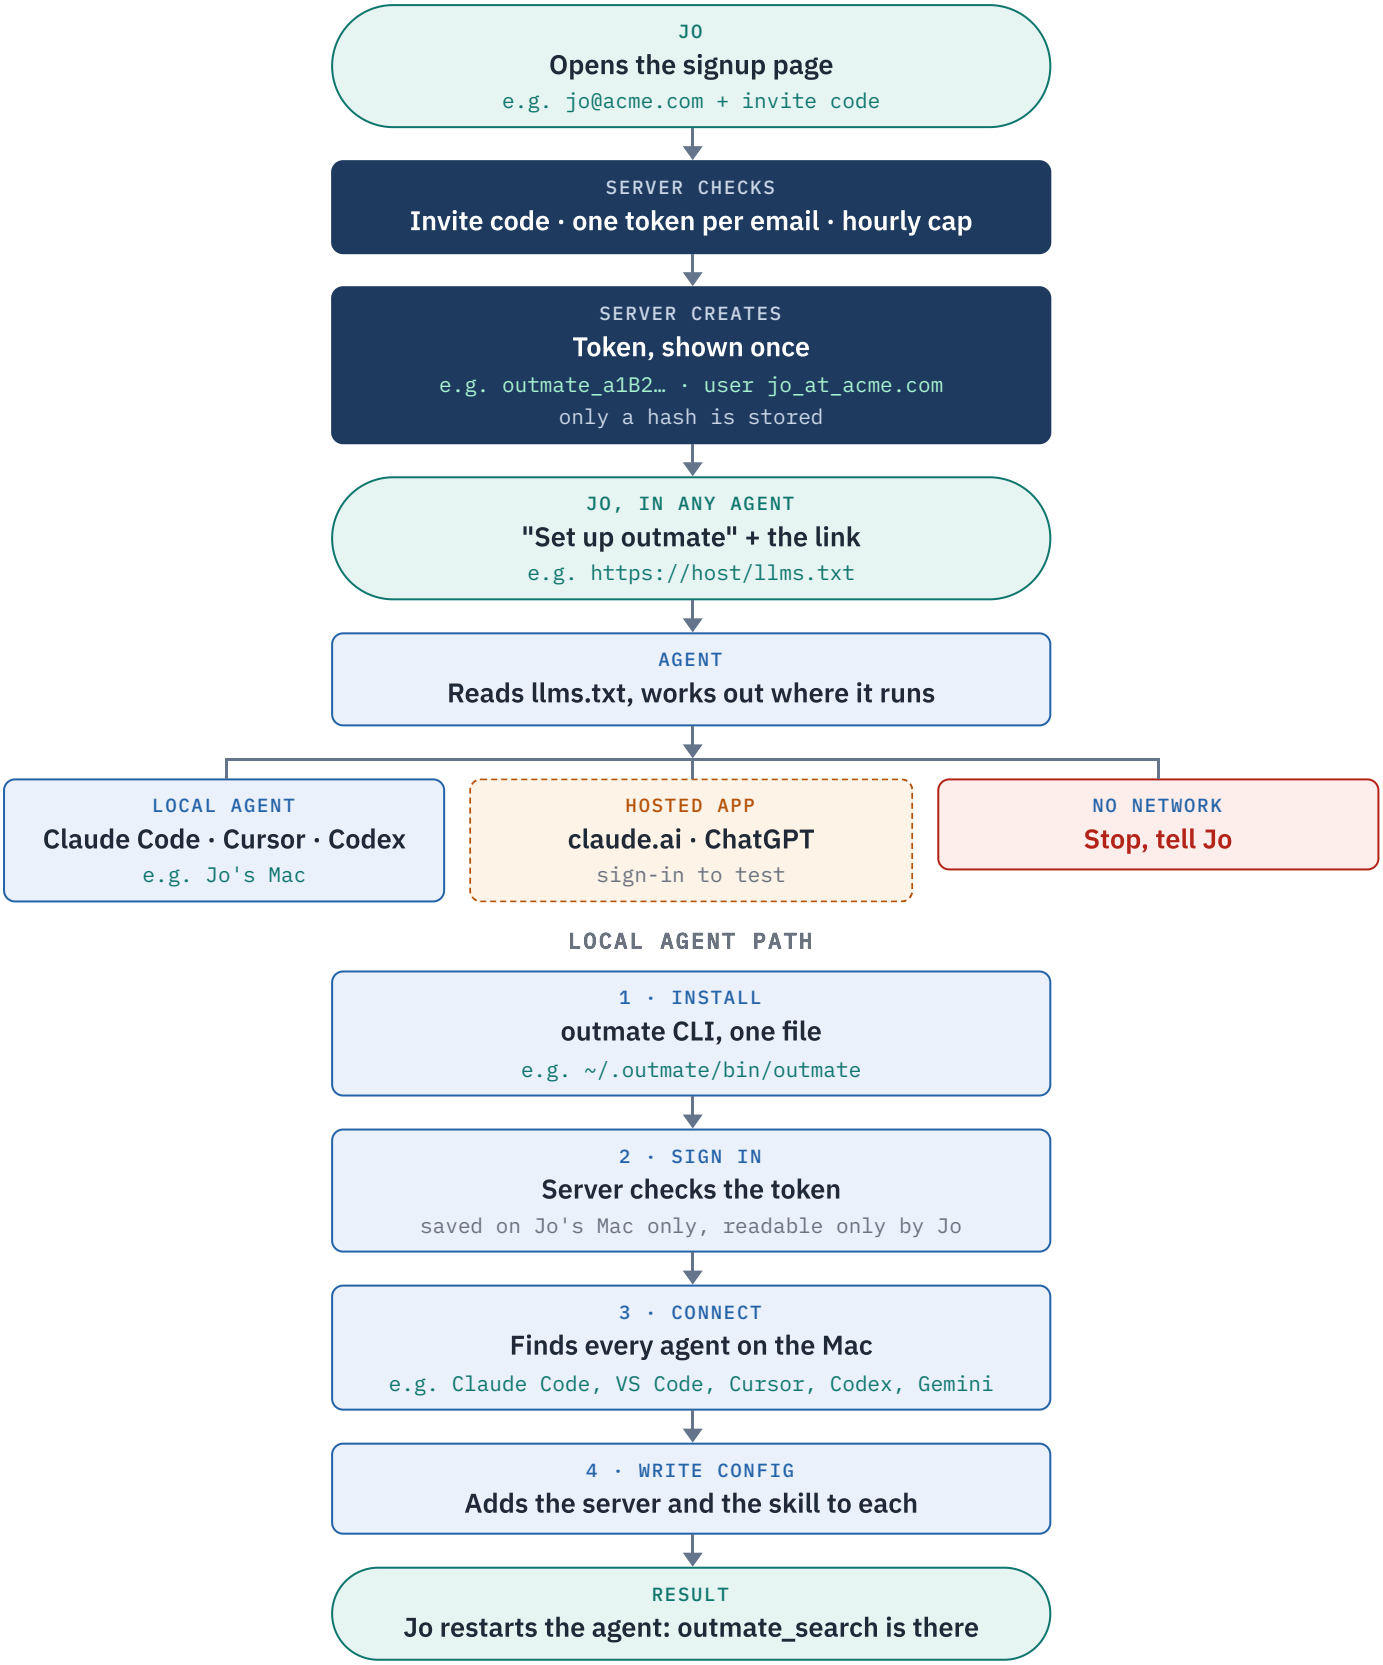

ADDING A NEW TOOL · ONE FILE, NO RESTART, NO CODE

The agent sees the new ability in the outmate_search description. Each user adds their own key once.

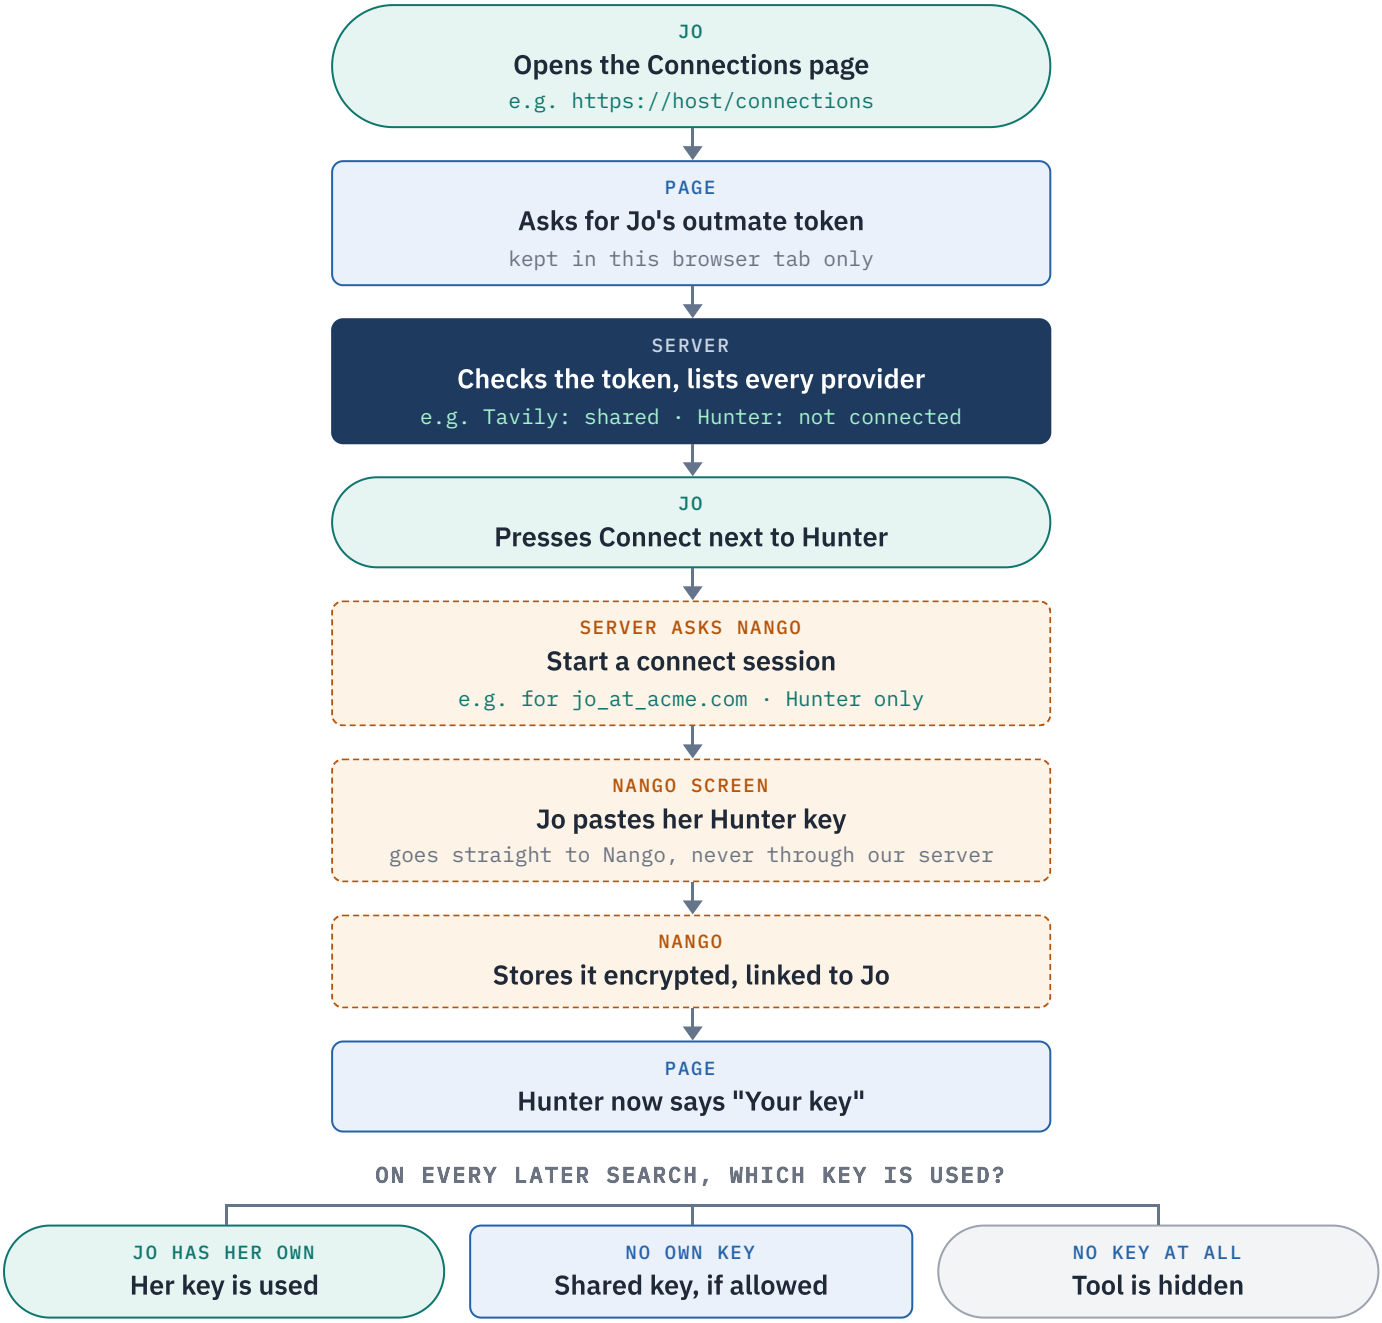

1 · Connect, in detail

Example: Jo at Acme gets set up

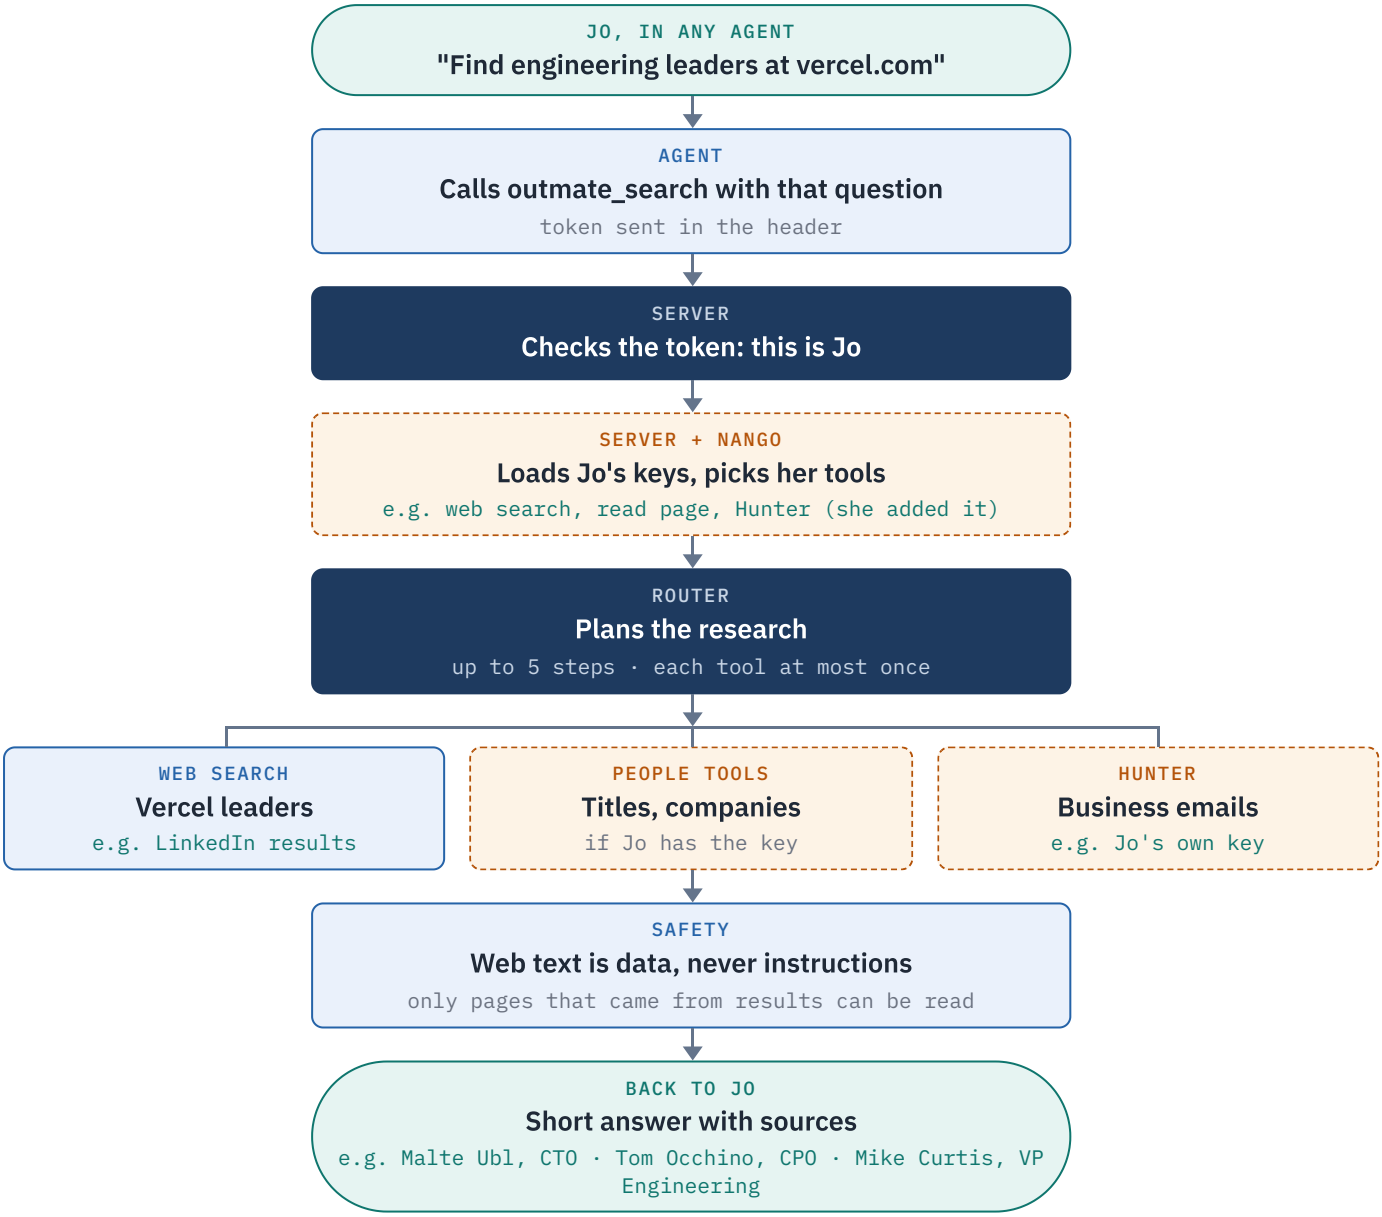

2 · Add keys, in detail

Example: Jo adds her own Hunter key

3 · Search, in detail

Example: Jo asks for engineering leaders

4 · Adding a new tool, in detail

Example: add HubSpot contacts
